

## THE ALL NEW MAGNUM 28 GUN & FOAM KIT #14.5008

If it drives, flies, or floats... Foam it! With the All New MTM Hydro Magnum 28 Gun & Foam Kit getting dirty never looked this good! Eliminate the risk of swirl marks when you apply thick foam onto your vehicle, truck, boat, house, or restaurant grill & hood.

This kit includes the Brand New Stainless Steel SGS28 Easy Hold Spray Gun with built-in stainless steel swivel, the PF22 Foam Cannon, stainless steel hardware, and a roll of Teflon tape.

The newly designed adjustable nozzle and intake knob now features oversized beveling for an easier grip in addition to an adjustable spray pattern (an industry 1st); as well as a newly redesigned ergonomic Easy Grip bottle.

See what all of the rage is about. Over 100,000 units sold. If it doesn't say **MTM Hydro**, it is not the quality you expect.
