

Innovation Means A More Durable Heater

The Innovation of the FLAME 115 Infrared Heater lies in the elimination of the refractory material cone that surrounds the conical combustion chamber that's typical of other competitor's units. The FLAME 115 features a metallic forced air insulation pocket between the combustion chamber and the external protection cone. The cooling air is blown through the pocket by the burner fan. This innovative technology over comes the well-known problem of the fragility.

FEATURES:

- › CSA Approved
- › Low Noise Level
- › Approved For Construction & Agriculture
- › Clean Combustion with 99.9% Efficiency

Jet Fuel
Kerosene
Diesel #1
Diesel #2

FLAME 115

AISI 309L Stainless Steel Cone

Very Portable Only 92 lbs.

Extendable Floor Protection Shield protects floors or truck beds

Directional Cone Locking Mechanism points up or down

Forced Air Insulation Pocket between combustion chamber and the external protection cone

Shockproof Polythene Fuel Tank

8" Reinforced Wheels

Electronic Flame Control Unit with Metal Casing

Automatic Post-Ventilation Cooling Cycle

Thermostat Plug

Standard Fuel Gauge

Fuel Tank Drain Plug

Built-In Oil Burner with Gear Pump

Private Label Customization available with qualifying purchase

SPECIFICATIONS

	FIRE 155	FLAME 115
Max BTU	154,237	115,160
Air Cooling System	Yes	Yes
Manufactured in	Italy	Italy
Power Supply	120, 1, 60	120, 1, 60
Fan Motor Power	1/4 (3,300)	1/4 (3,300)
Current Rating	4.1	2.15
Consumption Rate (gal/hr)	1.1	0.85
CSA Certified	Yes	Yes
Standard Floor Shield	Yes	Yes
Adjustable Tilt	Yes	Yes
Tank Size	17.2	11.35
Run Time on high (hrs)	16	13.4
Weight (lbs)	161	92
Dimensions	41L x 28" x 43"	30L x 23" x 28"

Since 2006, Veloci Performance Products (formerly MTM Hydro) has been a trusted name for high pressure cleaning equipment and both infrared and forced-air heaters to move work forward. Based in Minnesota we know all about the cold. Our Portable heater line will keep you and your team warm while working in cold environments.

From the construction site to the heartland, our lineup of radiant forced-air heaters and accessories delivers the heat you need to drive the results you demand. Rely on Veloci for the safest, most effective and most efficient solution to your specific need. Veloci has dealers positioned throughout world, who can recommend the best product(s) to meet your specific need(s).

OPTIONAL ACCESSORIES

Part Number

THERMOSTAT w/30' CABLE 20F-120F	48.7101
FUEL LEVEL GAUGE (Standard)	48.7102
